Naturally Beautiful  
Attraction on Central Florida's  
West Coast

Homosassa Springs is Florida's Most Natural Attraction where visitors walk under water in the famous "Fish Bowl Spring" and can watch more than 34 varieties of fish in this huge spring. Cruise the tropical jungle waterway . . . stroll along the unspoiled Nature trails . . . feed the squirrels and deer, see waterfowl of the world and playful otters. Cringe as 'gators leap for fish and then linger in the beautiful Garden of the Springs. Fun, excitement and entertainment for all.

Homosassa Springs is open every day of the year. Boat cruise starts at the Main Entrance building on U.S. 19. Dining room and gift shop open daily. Phone: (904) 628-2311
